

## Request for Coaching Privileges and Letter of Expectation

The Vancouver Skating Club has been “closed” to non-Club coaching professionals since 2005, but has extended Guest Coaching privileges on a case by case basis, as approved annually by its Board of Directors.

All non-club coaches must apply to the Vancouver Skating Club Board of Directors for permission to coach on our sessions.

Permission, if granted, will apply to the current competitive skating year. Please ensure that your completed application is submitted to the Board on a timely basis.

The Guest Coach agrees to the following:

- To abide by the Coach’s Code of Ethics as stated by Skate Canada;
- Guest Coach and his or her skaters must adhere to all policies and rules of the Vancouver Skating Club;
- All requests by Guest Coach to VSC Coaches must be made via the Skating Director;
- To respect that Guest Coaches do not have access to skaters enrolled in VSC Canskate/Jumpstart or any VSC program, and
- To provide a WorkSafe BC Letter of Independence:

WorkSafe BC Letter of Independence has been filed with VSC and my status is unchanged.  Initial \_\_\_\_\_

Or

WorkSafe BC Letter of Independence is attached.

Non-compliance with any of the foregoing may result in certain sessions being closed to the Guest Coach or the courtesy of using ice at the Vancouver Skating Club being revoked.

I, \_\_\_\_\_ request permission to coach on the Vancouver Skating Club ice for the 2016 to 2017 skating season.

I understand the expectations and policies of the VSC and agree to abide by same. My Skate Canada coaching membership number is noted below.
